

EXCUSES KEEP YOU FROM YOUR NEXT LEVEL

Romans 1:17

- Faith wasn't designed as a means of combat.
- God designed it in such a way that He would take us from faith to faith (level to level).
- Too many times people spend most of their lives using their faith to move mountains and they never make it beyond the mountain range.
- Faith was designed as a means of possessing and conquering what is already ours.
- People often make excuses for why they haven't received what it is that they are believing God for (houses, cars, jobs, marriage).
- Sometimes, although we have an adversary (the devil), our entering into the next level of our lives is not always the devil's fault.

NO RESPECTER OF PERSONS

Romans 12:3

- God is no respecter of persons.
- That means that what He did for one, He can do for all.
- That also means that what He did for one, He can do better for you!

Matthew 9:29

STEPPING UP

- God desires for His children to step up into some new things. (Houses, cars, jobs, promotions, relationships)
- Do you have faith to enter into what God has in store for you?
- The time limit for you entering in is determined by your faith, not by God.

FAITH TO ENTER IN

Numbers 13:30

-What could have been an eleven-day journey became 40 years of wandering in the desert.

-Faith to conquer is necessary to win the fight of faith, but faith to enter in is what takes you out the desert, and into the promise land.
